From the Commissioner, Tiruchirapalli municipality, No.Roc.F2/25401-48 dated 10-12-1948.
From the Director of Public Health, R.No.82245-E1-48 dated 23-2-1949.
From the Examiner of Local Fund Accounts, L.F.No. 1732 dated 26-5-1949.

ORDER:

Prior to the recent revision of scales of pay II Class women vaccinators were given a scale of pay of Rs. 25-3/2-40 plus a fixed allowance of Rs.5/- per mensem. With reference to the orders in G.O. 5924, Public Health, dated 17 77-12-1949 this allowance was in lieu of cylce allowance in the case of men vaccinators and not in the nature of a special pay. In Memorandum No.36715/46-9 Special dated 8-2-47 sanctioning the revised scales of pay from 1-1-47 no mention was made of the fixed allowance previously admissible to women vaccinators. The Commissioner, of Tiruchirapalli Municipality, has raised the question whether the fixed allowance, may be granted to women vaccinators for the reasons that a [redacted] conveyance is necessary for the efficient discharge of their duties and that a cycle allowance is still allowed to men vaccinators.

2. The Government have examined the question and direct that the fixed allowance to women 2nd Class vaccinators is in lieu of conveyance allowance given to men vaccinators, the payment of the fixed allowance of Rs.5/- per mensem to women vaccinators should be continued.
